MEMORANDUM IN SUPPORT OF MOTION TO DISMISS

Description of the Parties and Issues

This action began in March 2004 when the ITV Direct Parties sued the Healthy Solutions LLC Parties. A case pending in the Central District of California involving the same nucleus of facts was later consolidated with the case. The parties have disputes relating *inter alia* to breaches of contract, contract interpretation, trademark ownership and rights, trademark infringement, fraud, unfair business practices, and violation of

publicity rights and indemnification relating to the manufacture, distribution and sale of a nutritional supplement known as Supreme Greens.

Plaintiff in Intervention Cappseals Inc. filed its Complaint in Intervention in this action against Defendant Healthy Solutions LLC and the ITV Direct Parties seeking *inter alia* money damages and injunction relief for its manufacture and sale of Supreme Greens. Plaintiff in Intervention claims it delivered over \$892,000 of Supreme Greens to the ITV Direct Parties.

On April 14, 2004, this Court entered a Preliminary Injunction against defendant Healthy Solutions LLC only prohibiting Healthy Solutions LLC from:

“ . . . compromising, transferring, assigning, or otherwise disposing of, alienating or hypothecating its interest in any and all monies due or to become due to DBC [Healthy Solutions LLC] from ITV Direct for the manufacture and shipment of Supreme Greens to ITV Direct or its interest in any and all intellectual property related to Supreme Greens . . . ”

The stipulated mutual dismissal between Healthy Solutions LLC and ITV Direct compromises Healthy Solutions LLC's claims and causes of action against ITV Direct and therefore requires Court approval.

This approval should be granted because it avoids wasting Court resources and time, is in the interests of the signatory parties, and is in the interest of justice. The vast majority of disputed issues of fact and law are resolved through the Stipulated Dismissal, including the various trademark issues, torts, contract claims and common law rights disputed among the ITV Direct and Healthy Solutions Parties. Much of Plaintiff in Intervention's Cappseals Complaint, essentially a failure to pay for goods delivered case, remain, but the issues are narrower. The settlement therefore would reduce the trial time of this cause from as much as ten days to as little as one.

In addition, Healthy Solutions LLC has filed an Offer of Judgment allowing Plaintiff in Intervention Cappseals Inc. to enter judgment against it for damages as plead in its Complaint.

The Healthy Solutions LLC Parties have been attempting to settle this matter globally for many months. Being unable to reach agreement with all parties, the vast majority of issues have been resolved and this settlement should therefore be approved.
